

Indiana North District Optimist Convention Report

Hello Indiana North District Optimist,

It's District Convention time and we do request your attendance and the attendance of all Optimist for our convention as we do the business of the district. This years theme is a western theme, we will have a judging of the best men's and best women's western dress. We will have our Golf outing on Friday morning, and for those who don't golf there will be a tour of Smith Brothers Furniture in Berne and a stop at an Amish store.

We are approaching the time for our District Convention and I would like to advise you of the plans we have for the convention. The convention will start on Friday August 6th at Bearcreek Farms. As before we will start with the Picnic on Friday night which has always been a picnic to remember. After the picnic we will see the live show "On the Road Again, Route 66" which is a musical presentation. Hospitality room to be open after the show for good Optimist fellowship.

Saturday will start with the "Old Timers Breakfast" with our own Herb Bunch as the keynote speaker. Herb is a past Governor of the Old Indiana District when the district was made up of the whole state of Indiana. After the breakfast will be a business session, followed by training for President-elect's and Secretary-Treasurer-elects and Governor Ted will also have sessions for the current year officers and will be laying the groundwork for finishing the current year. Lunch will be the next order of business followed by another convention session and more training for the officer-elect's. Bearcreek Farms will have a spouse activity in the afternoon, probably making crafts, there will also be a milking contest and other entertainment, hospitality room will be open and we will work our way into the reception and our evening banquet with T-bone Steak or ½ rotisserie chicken. We will also be working in the Optimist International Foundation Auction through the weekend and we will hear from our VIP from Optimist International, we will also have a disc jockey Saturday night and there will be plenty of Optimist fellowship and fun.
