

Michael Fisher
711 S 11th Street,
New Castle, In. 47362

I have been a member of the New Castle Breakfast Club since 1999. During that time I have held the offices of Member of the Board of Directors, Vice President and President of the club of 64 members. The New Castle Breakfast Club was awarded Honor Club status during my year as President and I received the clubs award of "Optimist of the Year" in 2009. For the district I served as Lt. Gov. of zone 9 in 2007/2008 while currently completing my second year on the Convention Committee and my first year as District Membership Chairman.

My wife Lillian and I will celebrate our 49th wedding anniversary in December. We have two sons, ages 47 and 42 with three grand children. Both sons live in Indiana in Avon and Franklin. While one grand child has been accepted at I.U. South Bend, the other grand children are juniors at the University of Evansville and the University of Southern Indiana.

I retired in 2008 from my successful career in the Engineering Department of Modernfold Inc., after 29 years of design and management. Lillian has also retired and is currently involved in many community activities and her passion for quilting.

My current involvement includes Optimist activities on both the local and district levels. I also enjoy volunteering to serve meals at a local senior housing and other community programs such as Youth day of Caring and the Adult Day of Caring while also serving on various committees of our church. I also served as Past President of the Union School Band Boosters, 4-H Leader, a Big Brother for 8 years and a past president and board member of the New Castle Big Brother/Big Sisters.

My hobbies include fishing, metal detecting, model building and model RC flying
