## Optimist Creed

### Promise yourself...

- To be so strong that nothing can disturb your piece of mind.
  - To talk health, happiness and prosperity to every person you meet.
  - To make all your friends feel that there is something in them.
  - To look at the sunny side of everything and make your optimism come true.
  - To think only of the best, to work only for the best and to expect only the best.
  - To be just as enthusiastic about the success of others as you are about your own.
  - To forget the mistakes of the past and press on to the greater achievements of the future.
  - To wear a cheerful countenance at all times and give every living creature you meet a smile.
  - To give so much time to the improvement of yourself that you have no time to criticize others.
  - To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.
-

## Junior Optimists

We now have 25 Junior Optimists, which is enough to charter the club. They are still attempting to collect 1,000 jars of peanut butter & 1,000 jars of jelly. Each member of our club

is bringing a jar to each meeting or they will be fined.
